"Mind" will be the subject of the Lesson-Sermon Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Among the Bible texts in the Lesson-Sermon will be these verses from Paul's epistle to the Philippians: "If there be therefore any consolation in Christ, if any comfort of love, if any fellowship of the Spirit, if any bowels and mercies, fulfill ye my joy, that ye be likeminded, having the same love, being of one accord, of one mind . . . Let this mind be in you, which was also in Christ Jesus."

A correlative selection which appears under the marginal heading "Universal brotherhood," in "Science and Health with Key to the Scriptures," includes these words by Mary Baker Eddy: "When the divine precepts are understood, they unfold the foundation of fellowship, in which one mind is not at war with another, but all have one Spirit, God, one intelligent source, in accordance with the Scriptural command: 'Let this Mind be in you, which was also in Christ Jesus'."
