To provide additional picnic facilities at the Torrance city park, the recreation department is proposing that all seats be removed from in front of the bandstand and picnic tables be installed in the cleared area.

This would provide for an additional 500 picnickers, Dale Riley, superintendent of the department, said this week. In addition to the tables, hot plates, a sink and windbreak would have to be placed in the bandstand area to serve those who enjoy al fresco meals.

"Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy." This verse from 1 Timothy is the Golden Text in the Lesson-Sermon on "Unreality" on Sunday in all Churches of Christ, Scientist.

The Lesson Sermon includes these passages from Exodus: "And God spake all these words, saying, I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me. Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them." These words of Paul to the Corinthians are also presented: "For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,) But to us there is but one God, the Father, of whom are all things, and we in him."

Among the selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are the statements: "A material, corporeal, or finite conception of God cannot embrace the glories of limitless, incorporeal Life and Love." "To material sense, the unreal is the real until this sense is corrected by Christian Science."
