New Enlistees May Be Assigned In Nearby Area

An unusual opportunity for local veterans to cash in on new benefits offered by the Regular Army without leaving the Long Beach area is contained in a directive made public this week by Col. M. L. McCreary, chief of recruiting, Sixth Army, Presidio of San Francisco.

Under terms of the directive, Army commanders are authorized to accept enlistments from men with prior service in any of the Armed Forces for initial assignment to any understrength unit or installation of the veterans' choice within the Sixth Army. Of special interest to local veterans will be the vacancies in the 6004 Army Service Unit at Fort MacArthur.

The quota this month has been set at 11 men, according to the local Army recruiting station.

Military occupational specialties included in this quota are meat or dairy inspector, radiology technician, stenographer, classification specialist, clerk-typist, finance technician, X-ray technician, dental technician, medical laboratory technician, and others.

All interested veterans are urged to investigate without delay at the U. S. Army recruiting station located in the Chamber of Commerce bldg., Torrance.

San Pedro Youth Guilty Of Hit And Run Driving

Marion M. Rokob, 21, 334 W. 18th st., San Pedro, was sentenced to five days in jail, fined $100, and had his drivers license suspended for 30 days in Torrance City Court Tuesday morning after pleading guilty to charges of hit and run driving.

According to a complaint signed by William A. C. Roethke of Beverly Hills, a vehicle traveling in the same direction, sideswiped the car he was driving on 101 highway in Torrance last Friday.

Police, after checking on license plate numbers furnished by Roethke, arrested Rokob and booked him on charges of hit and run driving.

Doctor From Philippines Visits Here

In order to study all phases of the public health program in Los Angeles County, Dr. Federico Florendo Jr., public health physician from the Philippines, will visit Torrance and other sections of the county, according to Dr. Kenneth H. Sutherland, assistant County Health officer.

Doctor Florendo is in the United States on a fellowship grant of the U. S. Public Health service for a years study of public health administration at Harvard university. Upon his return to the Philippines, he will be in the bureau of laboratories for the Department of Health and Public Welfare of the Philippine Republic.

The health officer's position as president of a sanitary district in the Philippines is comparable to that of the District Health officer in this county. He stopped off enroute to Harvard to study the County Health department's setup which is considered a model throughout the country.

Doctor Florendo's itinerary includes a study of all aspects of sanitation, maternal and child health, communicable diseases, as well as field trips to the Torrance Health Center. He also spent one afternoon last week as a guest of the Los Angeles Tuberculosis and Health association.

DISASTER OPERATION

Sixty-six years ago—in August, 1881—the American Red Cross carried out its first disaster operation for disaster sufferers in Michigan where raging forest fires destroyed property and took lives.

Churches Organize Interfaith Group To Handle Released Time Classes

Upon the call of the Torrance Ministerial Association, representatives of Torrance churches and faith groups met last week to organize a Torrance Interfaith Committee on Weekday Christian Education.

Officially represented on the committee are two Protestant groups, the Church Federation and the Evangelical Released-Time, Inc., and the Catholic church, represented by the Church of the Nativity, Torrance. Delegates from the Christian Science church were present at the meeting and were instructed that they may name an official representative if they decide to conduct released-time classes during the coming school term. Other faith groups, or churches, desiring to conduct such classes will be accorded the same privilege, according to the Rev. H. Wesley Roloff, pastor of the Central Evangelical United Brethren church, who was elected chairman of the Interfaith Committee and the official contact person with the schools. The Rev. Father P. J. McGuinness was elected vice chairman and the Rev. Clyde Ruckman, of the First Methodist church, was chosen as secretary-treasurer.

Released-time class in Christian Education have been conducted in Torrance for pupils of the fourth, fifth and sixth grades during the past two years. Previously, clearance and arrangements for classes had been handled by the Los Angeles Interfaith committee. With the advent of the Torrance City School system, these arrangements must now be handled through a local committee directly with the Torrance Board of Education and the local school personnel.

A blanket request, permitting Torrance churches to conduct released-time classes, has been presented by the Torrance committee to the local school board. Upon the approval of this request, specific arrangements for the various classes will be undertaken. All such arrangements are to be channeled through the authorized Torrance Interfaith committee.
