Teacher Orientation And Institute Meetings Scheduled For Schools

A series of orientation meetings for teachers of Torrance City School District is scheduled for early September, with institute sessions following later in the fall and winter months, according to Superintendent of Schools J. H. Hull.

Four days, from Sept. 9 to 12, will be the orientation dates for the faculty, with schools opening on Sept. 15.

On Sept. 8 a general faculty meeting will be held at 9 a.m. and at this time members of the Board of Education, city officials and civic leaders will be introduced.

Superintendent Hull said that he is recommending that all teachers be given a brief history of the development of the Torrance school situation and the background of the growth of the City of Torrance in order to orient them in the community. Wednesday, Sept. 10, will be devoted to teachers and principals getting acquainted in their own buildings, checking books and performing other duties in preparation for the start of school.

Thursday, Sept. 11, at 9:30 a.m. Dr. John Michaels, of the University of California, will address the faculty on social studies curriculum. Another educator to be selected will address the faculty on Sept. 12.

Teachers' institutes will be held in this area Oct. 7 at Redondo Beach; Oct. 15, at Hermosa Beach; Nov. 4, Hermosa Beach; Nov. 13, El Segundo; and Jan. 27 at Redondo Beach. One session will be held in Torrance elementary school on a date to be selected, according to Hull, probably a Tuesday evening in November.
