Revised Per Diem Rates as of December 11, 1950.

Foremen except as otherwise separately classified shall be paid not less than $1.40 per day more than journeyman rate for the craft involved.

Provided that not less than one and one-half times the prevailing rate shall be paid for any working time more than eight hours during any one calendar day, and for time on Saturdays, Sundays, and the seven legal holidays, to-wit: New Year's Day, Memorial Day, Fourth of July, Labor Day, Armistice Day, Thanksgiving Day and Christmas.

Provided that notwithstanding the general provisions contained herein, Flagmen, Guards, and Watchmen shall be paid one and one-half times the prevailing rate for overtime (overtime shall be time worked in excess of eight hour per day or forty hours per week), and the straight prevailing rate for time worked on Saturdays, Sundays and Holidays where such time does not constitute overtime.

The time within which the aforementioned work must be completed by the Contractor undertaking the same has been fixed at one-hundred twenty (120) calendar days from and after the date of execution of the contract agreement.

The CITY COUNCIL reserves the right to reject any or all bids, or waive any informality, technical error or discrepancy on a bid, if said action is deemed to be advantageous to the CITY.

Notice is hereby given that proceedings for said work have been taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California, designated and known as the "Improvement Act of 1911," and all acts amendatory thereof and supplementary thereto, and that bonds are to be issued to pay the costs and expenses thereof, as provided in aforesaid Resolution of Intention, and in accordance with said Act.
