Well, as promised, I have the news on the Silver Moccasin Hike just completed by 17 Boy Scouts of Troop 726 and their Scoutmaster, Floyd Holstin. Trouble is, I get so excited about these things that I cannot get it down on paper the way I want to. These 17 boys and their leader are now entitled to wear two beautiful insignia patches on the right pocket of their Scout uniforms. One is a circle with silver mocassins embroidered in the center, and these words around the edges, "L. A. Council B. S. A. 63 miles Silver Moccasin." The other patch has an embroidered scene. . . . grey background, purple mountains, and two fir trees. This one says Camp Pepperdine, which was the terminal point of their six day adventure of hiking, camping, and cooking. They started out Sunday, June 22 from the Sierra Madre Ranger Station, and arrived at Camp Pepperdine Thursday the 26th. Bringing in supplies were Bob Evans and Mr. Nelms of the Scoutmobile. The 17 boys who truly earned these patches were Stan Wilson (acting adult guide), Dorsey Gruver (Jr. trail guide), Ray Bundgaurd, Philip Gaul, Bill Evans, Hal Muldoon, Ralph Muldoon, David Pace, Robert Sadavage, Robert Dwyer, Reese Haggott, Randall Nelms, Ollie Lessin, Bobby Cash, Bill Sternsburg, Bill Morris, Jackie Johnson. . . . and of course, Floyd Holstin.

Helen Slover of Bindewald, took her two daughters, Nancy and Susan, and two of her nieces, Patty and Jennie Gunther of Vanderhill to Catalina last Sunday. Besides going, they got to fly there and back. You can be pretty sure of their main topic of conversation for a few weeks. . . . and I for one . . . . envy them. P.S. — Mrs. Sylvia Gunther, Helen's step-mother, also went with them.

The June 18th abalone hunt, participated in by Duke Robinson of Doris Way, and Judy Yeltma of Zakon Road, turned out very unhappily, Duke cut his left thumb, at the base, so badly that it required fifteen stitches to close the wound. Besides hurting Duke, and scaring Judy, it nearly frightened Duke's mother Emily to death. However, the two ladies have recovered and Duke is getting along fine.

Congratulations are due Bud and Lorraine Bedrosian, of 5218 Zakon Road, on the arrival, June 18th, of their second daughter, Suzanne Lorraine Bedrosian. She was born at the Methodist Hospital and weighed 7 pounds, 11½ ounces at birth. She already has a lifelong playmate, her 3-year-old sister, Becky Jo.

The Curley Herbst family of Vanderhill have been very busy entertaining guests these past few weeks. Most recent being Jerry and Carl Stewart of San Diego and their four children. As you know, the Herbsts have four of their own. . . . so . . . . never a dull moment.

Esther Johnson of 5233 Bindewald Road was a very lost person for a few days last week. . . Her husband, Joe Johnson, flew to Pennsylvania last Thursday morning on business, and her son, Bobby, was on the Silver Moccasin Hike . . . believe me, she didn't know what to do with herself. She is one happy gal again now though . . . her family is back-together.

There are several very unhappy dog owners here in our area this week. As we know, dogs should not run loose . . . but as we also know, some of them do. And it seems that one of our neighbors is coaxing these dogs to her, then fastening them up until the Humane Society comes for them. Ill feelings are stirring a-plenty.

On the move . . . Mrs. Harrelson of 5325 Bindewald, one of our original Home Owner Association members, has sold her home and is leaving our area. She will store her belongings for the time and head for Florida to spend about six weeks. Her son Don and his wife, Annette, who still own their home at 5302 Bindewald, are stationed in Florida. . . .

Mr. and Mrs. Steele and children also of Bindewald moved last Sunday, but we still call them neigbors because they moved to the next to the last house on Macaffee. . . . We have heard too . . . but have not verified that Mr. and Mrs. Dick Sabey of Macaffee will be leaving us soon.

Do you parents know that it is still not too late to enroll your children (6-12) in the summer swim program? One of the parents must accompany the child to school any afternoon after 1 p.m. or on Saturday, 10 a.m.-4 p.m. to sign them up. The program starts July 8th, so they have only have until then to sign up.

The music students, piano and voice, of Gertrude Lumsden, 5238 Bindewald Road, are all anticipating the summer recitals, planned for Sunday, July 13th and Monday, July 14th at the Lumsden Studio. Much time is being spent in practice and rehearsals.

Being as I mentioned other peoples birthday, may I say that Mr. Ryckman is a year older, as of last Monday? We three Ryckmans had dinner, and presents were given Sunday at the Mr. and Mrs. Roy Buttweiler home in El Segundo (my aunt and uncle). And we celebrated again Monday with cake and coffee and the Waddingham family (his sister and family). Incidentally, congratulations are also due Earl Sumpter, our mail carrier. We discovered a few months ago that he was born the same month, day, and year as Ryck. Many happy returns to both of you.
