

# TORRANCE

HUB OF BASIC  
INDUSTRIES  
IN  
SOUTHERN  
CALIFORNIA.

Ideal Location—Major boulevards connect Torrance with Los Angeles (15 miles), Hollywood, Beverly Hills, and many other communities of the metropolitan area. On the west are the many beach recreation communities of the picturesque South Bay shore line. On the south is the Hollywood Riviera and its palatial homes, Torrance Beach, and beyond the romantic Palos Verdes Hills. To the southeast (8 miles) are the great harbors of Los Angeles and Long Beach, centers of Southern California commerce.
