COUNTY IMPROVEMENT NO. 1800 FOR THE CONSTRUCTION OF SANITARY SEWERS IN FIGUEROA STREET AND OTHER RIGHTS OF WAY AND THE ANNEXATION OF THE TERRITORY WITHIN WHICH THE IMPROVEMENT WILL BE CONSTRUCTED TO THE DOMINGUEZ SEWER MAINTENANCE DISTRICT
RESOLUTION OF INTENTION

WHEREAS, the Board of Supervisors of the County of Los Angeles, State of California, has on file and spread upon the minutes of the Board, a report from the Health Officer of the County recommending the institution of proceedings for the improvement as a health measure; and

WHEREAS, the Board has found and determined by resolution that the public interest requires the construction of sanitary sewers in FIGUEROA STREET and other rights of way and that the improvement is necessary as a health measure; and

WHEREAS, provisions have not otherwise been made for the maintenance and repair of sewers within the district to be improved.

NOW THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Los Angeles, State of California, as follows:

SECTION 1.

That the public interest and necessity require and that it is the intention of the Board of Supervisors of the County of Los Angeles, State of California, to order the following work to be done and improvement made, to-wit:

First: The construction of sanitary sewers and appurtenances in FIGUEROA STREET between the northerly line of Lot 4, Tract No. 3612, as shown on map recorded in Book 40, Pages 5 and 6, of Maps and the southerly line of 214TH STREET; and in 214TH STREET in the intersection thereof with FIGUEROA STREET.

Second: The resurfacing of the trench in the streets and rights of way where aforementioned sanitary sewers are constructed.

All of said work shall be performed in the streets and rights of way and between the limits hereinbefore designated except where the plans indicate that said work shall be omitted.

THAT SUCH WORK OR IMPROVEMENT, IT IS ESTIMATED, WILL COST THE SUM OF TEN THOUSAND ONE HUNDRED FIFTY DOLLARS ($10,150).

SECTION 2.

That all the work and improvements aforesaid shall be done and performed as shown on and in accordance with and to the grades shown on the plans, profiles and specifications therefor, filed in the office of the Board of Supervisors in the Hall of Records in the City of Los Angeles on the 1st day of November, 1955. Reference is hereby made to said plans, profiles and specifications for a full and detailed description of said proposed work or improvement, and said plans, profiles and specifications shall govern for all details of the proposed work or improvement and for the description of the grade to which this work is to be done, and are made a part hereof.

SECTION 3.

That the said contemplated work or improvement, in the opinion of the Board, is of more than local or ordinary public benefit, and the Board hereby makes the expense of the work or improvement chargeable upon a district, which district the Board declares to be the district benefited by the work or improvement and to be assessed to pay the cost and expense thereof.

A map of the improvement district, indicating by a boundary line the extent of the territory included in the proposed district approved by the Board on the 1st day of November, 1955, is on file in the office of the Board. Reference is hereby made to the map for a full and complete description of the property to be assessed to pay the cost of the improvement and the map shall govern for all details as to the extent of the assessment district.

SECTION 4.

That serial bonds shall be issued in accordance with Division 7, Streets and Highways Code, to represent each assessment of twenty-five dollars ($25.00) or more remaining unpaid for thirty (30) days after the date of the recording of the warrant. The serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next October fifteenth following their date, and in even annual proportion of the principal sum thereof shall be payable by coupon, on the second day of January every year after the next October fifteenth following their date, until the whole is paid, and the interest shall be payable semi-annually, by coupon, on the second days of January and July, respectively, of each year following the date of the bonds, at the rate of six (6) per cent per annum on all sums unpaid, until the whole of the principal and interest is paid.

SECTION 5.

The Streets hereinbefore referred to are public streets in the County of Los Angeles and are located in unincorporated territory in the vicinity of Torrance.

SECTION 6.

That it is the opinion of the Board that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

SECTION 7.

That it is hereby found and determined that provisions have not otherwise been made for the maintenance and repair of sewers in the territory within which said improvement is to be constructed nor is such territory included within a sewer maintenance district and that upon completion of construction of said improvement said territory will be in need of sewer maintenance and should be annexed to an existing sewer maintenance district.

SECTION 8.

SECTION 9.

That the proceedings for the aforesaid work or improvement and the annexation of territory to said Maintenance District shall be under and in accordance with Division 7, Streets and Highways Code and Los Angeles County Ordinance No. 4148 providing that all cash payments upon the assessment for the improvement, made within 30 days from the recordation thereof, shall be made to the County Engineer.
