Methodist Men's Club Organized By Walterians

A new organization of Methodist Men in Walteria Community Church, 3646 Newton St. has been chartered by Methodism's General Board of Lay Activities in Chicago.

President of the new organization is J. A. Beasley; vice-president and secretary are Dalton Boyd and Norma Kuska. The Rev. Mr. Gene M. Gehres is pastor.

The Walteria group is one of 6200 Methodist Men organizations out of a total goal of 10,000 clubs which the board plans to charter by 1956, according to Robert G. Mayfield, executive secretary of the board.

Officer to Give Church Lecture

Captain Harold Stallings of the Los Angeles County Sheriff's Department will speak on "Alcohol and Narcotics" at the second in a series of lectures on the topic tonight at 7:30 at the First Methodist Church, 1551 El Prado.

Another section of the book "Alcohol and Christian Responsibility" will be presented by Mrs. D. B. Kirks.

Capt. Stallings, president of the Harbor District Union, an organization of 22 Methodist churches in the Harbor area, is a layman in the First Methodist Church of Long Beach.

Group Spending Week-end at Lake

A group of 30 students from the youth division of the First Methodist Church School are spending this week-end at Lake Arrowhead, according to the Rev. Wayne Kobes, who is accompanying them.

The enrollment in the school has grown so that it has become necessary to divide the students into two divisions, one for high school and one for college students and those who work, church spokesmen reported. Both groups meet on Sundays at 10 a.m.

Gra-Y Snow Trip Slated For Feb. 22

One-day snow trip for Gra-Y boys was announced this week by Dick Brown, program secretary of the Torrance YMCA, for Monday, Feb. 22.

The boys will leave the Torrance YMCA at 8 a.m. and return by 6 p.m. The snow trippers will travel by covered truck to Mt. Waterman for the day.

Brown stated that just 40 can be taken on this trip, so boys should make reservations right away by calling the YMCA at FAirfax 8-1272.

The only cost to the boys will be their transportation and rental of any snow equipment that they think they will need. Boys can take their own sleds and toboggans together with their snack lunch.

Any dads that can go with their boys are urged to contact the YMCA also.

Glory of Soul Shown in Sunday Lesson-Sermon

Spiritual activity increases through a realization of God as Soul states the Sunday Lesson-Sermon on "Soul" in all Christian Science churches.

This selection from Isaiah (60:19) is the Golden Text: "The sun shall be no more thy light by day; neither for brightness shall the moon give light unto thee: but the Lord shall be unto thee an everlasting light, and thy God thy glory."

Luke's Gospel (7:20,22) relates that John the Baptist sent disciples to Jesus saying, "Art thou he that should come? or look we for another? . . . Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached."

In a correlative passage from "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation" (p. 210).

Retired GP Director George F. Olsen Dies

George F. Olsen, retired director of General Petroleum Corp., died Tuesday, Feb. 9, after a two-month illness.

Olsen, who was 74 years of age, started with General Petroleum as an engineer in 1925 after having been a refinery manager with other oil firms.

CAP Cadets on Outing

CAP Cadets from Squadron 43 based at Torrance Municipal Airport went on a week-end outing on Clark Ranch in Lucerne Valley, 15 miles east of Apple Valley, last week. The trip was climaxed with a romp in the snow at Big Bear.

LIGHT PROBLEM

Auto headlights which are high above the ground are ineffective in fog because the fog between the lights and the road reflects the beam.
