MEASURES TO BE VOTED ON

Notice is hereby given that the following measures are to be voted on at the General Municipal Election to be held in the City of Torrance on April 10, 1956.

The following Charter amendments and propositions will be submitted at said election:

AMENDMENT NUMBER 1

Shall Section 7 of Article VI of the Charter of the City of Torrance be amended to read in its entirety as follows:

"Section 7. Compensation. The members of the Board of Education shall receive no compensation for their services as such. The members of the City Council shall receive compensation in the amount of One Hundred Dollars ($100.00) per month, payable in equal semi-monthly payments, and in addition thereto shall receive their actual and necessary expenses while engaged on City business at the direction of the City Council. Any member of the City Council making demand for reimbursement for traveling or other expense shall provide the City Clerk with vouchers covering such expenses, together with a sworn statement to the effect that such expenses were actually incurred in good faith by said party while on official City business. The compensation of any member of the City Council appointed or elected to fill a vacancy shall be the same as that payable to such member whose office was vacated.

"The City Clerk and City Treasurer shall severally receive, at stated times, a compensation to be fixed by ordinance adopted by the City Council; which compensation shall not be increased or diminished after their election or during their respective terms of office.

"This section shall become effective April 10, 1956 and shall be subject to the provisions of Article XI, Section 5 of the Constitution of the State of California and Sections 53070 and 53071 of the Government Code of the State of California."

AMENDMENT NUMBER 2

Shall Section 2(f) of Article XV of the Charter of the City of Torrance be amended to read in its entirety as follows:

"f. The City Council, on the recommendation of the City Attorney, may appoint such Assistant City Attorneys or Deputy City Attorneys as may be required to carry out the functions of the office of the City Attorney and they shall have such duties as may from time to time be assigned to them by the City Attorney. Any such assistants or deputies so appointed shall be members of the classified service of the City and shall be paid a salary commensurate with the duties assigned to them."

AMENDMENT NUMBER 3

Shall Section 7 of Article X of the Charter of the City of Torrance be amended to read in its entirety as follows:

"Section 7. Contracts on Public Works. Every contract, involving an expenditure of more than Two Thousand Dollars ($2000.00) for the construction or improvement, excluding maintenance and repair, of public buildings, works, streets, drains, sewers, utilities, parks and playgrounds, and each separate purchase of materials or supplies for the same, where the expenditure required for such purchase shall exceed the sum of Two Thousand Dollars ($2000.00), shall be let to the lowest responsible bidder after notice by publication in the official newspaper by two or more insertions, the first of which shall be at least ten days before the time for opening bids; or if there is no newspaper, then by posting copies of such notice in at least three public places in said City.

"The City Council may reject any and all bids presented and may readvertise in its discretion.

"After rejecting bids, or if no bids are received, the City Council may declare and determine that, in its opinion, the work in question may be performed better or more economically by the City with its own employees, or that the materials or supplies may be purchased at a lower price in the open market, and after the adoption of a resolution to this effect by at least a three-fifths (3/5ths) vote, it may proceed to have said work done or such materials or supplies purchased in the manner stated, without further observance of the provisions of this section. Such contract may be let and such purchases made without advertising for bids. If such work, or the purchase of such materials or supplies, shall be deemed by the City Council to be of urgent necessity for the preservation of life, health or property, and shall be authorized by at least a three-fifths (3/5ths) vote."

AMENDMENT NUMBER 4

Shall Section 9 of Article XVIII of the Charter of the City of Torrance be amended to read in its entirety as follows:

"Section 9. Actions Against City. No suit shall be brought against the City or any board or commission thereof on any claim for money or damages or for the taking of property until a demand for the same has been presented as herein provided and rejected in whole or in part. If rejected in part, suit may be brought to recover the whole. Except in those cases where a shorter time is otherwise provided by law, all claims for damages against the City must be presented within ninety (90) days after the occurrence, event or transaction from which the damages allegedly arose, and all other claims or demands shall be presented within six (6) months after the last item of the account or claim accrued.

"Every claim brought against the City or any board or commission thereof for money or damages or for the taking of property shall be verified by the person making the claim and filed with the City Clerk, who shall thereupon present the same to the City Council, officer, board or commission authorized by this Charter to incur or pay the expenditure or alleged indebtedness or liability represented thereby. In all cases, such claims shall be approved or rejected in writing and the date thereof given. Failure to act upon any claim or demand within sixty (60) days from the date the same is filed with the City Clerk shall be deemed a rejection thereof."

AMENDMENT NUMBER 5

Shall Article IX of the Charter of the City of Torrance be amended by the addition of a section numbered "Section 17", to read in its entirety as follows:

"Section 17. Franchises. Franchises may be granted to persons, firms or corporations upon such terms, conditions, restrictions, or limitations as may be prescribed by the City Council by ordinance, but no franchise shall be granted without reserving to the City adequate compensation for the privilege conferred."

AMENDMENT NUMBER 6

Shall Section 13 of Article IX of the Charter of the City of Torrance be amended to read in its entirety as follows:

"Section 13. Adoption of Ordinances and Resolutions. No ordinance of any kind shall be passed by the City Council on the day of its introduction, nor within five days thereafter, nor at any time other than a regular or adjourned regular meeting. At the time that an ordinance or resolution is up for final passage, it shall be read in full, unless after the reading of the title thereof, the further reading thereof is waived by motion of the City Council regularly made and approved by the unanimous vote of those present. In the event that any ordinance is materially altered after its introduction, the same shall not be finally adopted except at a regular or adjourned regular meeting held not less than five days after the date upon which such ordinance was so altered. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

"No resolution or order for the payment of money shall be adopted or made at any other than at a regular meeting or adjourned regular meeting. No resolution or any order for the payment of money shall have any validity or effect unless passed by the votes of at least three members of the City Council and no ordinance shall have any validity or effect unless passed by the votes of at least three members of the City Council."

AMENDMENT NUMBER 7

Shall Article XIII of the Charter of the City of Torrance be amended to read in its entirety as follows:

"ARTICLE XIII—City Clerk and Director of Finance.

"Section 1. City Clerk. It shall be the duty of the City Clerk to keep a full and true record of all the proceedings of the City Council in books that shall bear appropriate titles and be devoted exclusively to such purposes, respectively. Such books shall have a general index sufficiently comprehensive to enable a person readily to ascertain matters contained therein.

"The City Clerk shall keep a book marked 'Ordinances' into which he shall record all City ordinances with his certificate annexed to each of said ordinances stating the same to be a true and correct copy of an ordinance of said City, giving the number of said ordinance and stating that the same has been published or posted according to law. Said record with said certificate shall be prima facie evidence of the contents of such ordinance and of the passage and publication of the same and shall be admissible as such evidence in any court or proceedings.

"The official records of the City in the custody of the City Clerk shall not be filed in any court proceedings or other action but shall be returned to the custody of the City Clerk. Nothing herein contained shall be construed to prevent the proof of the passage and publication of ordinances in the usual way. The City Clerk shall be the custodian of the seal of the City.

"The City Clerk may appoint a deputy, or deputies, from an eligible list to be prepared in accordance with the procedures prescribed in the Civil Service System of the City. Such deputy or deputies to receive such compensation as may be provided for by the City Council.
