NOTICE OF PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that public hearings will be held before the Torrance Planning Commission on January 18 and Feb. 1, 1956 at 7:00 p.m. in the Council Chambers, City Hall, Torrance, on the following matters:

CASE NO. 374: Petition of Hayes Furnace Mfg. & Supply Company, 2929 S. Fairfax Ave., L. A. 16, Calif., for a Change of Zone on the following described property: West ½ of the West 278ths of the North ¾ of Lot 73, calculated to the center line of the adjoining street, of the McDonald Tract in the Rancho San Pedro as per map recorded in Book 16 at pages 21 and 22 of Misc. Records of Los Angeles County California. (3-6/10 acres). Situated at No. 1860 West 174th Street, Torrance, California. Request is for a Change of Zone from M-1 (Light Manufacturing) to M-2 Heavy Manufacturing. Present M-1 Zoning restricts the petitioner's present operations and would prohibit the contemplated (and necessary) expansion program which is the motivating factor in seeking a larger and more likely permanent location. The nature of petitioner's business is the large scale manufacture of industrial heating and air conditioning equipment and certain allied items. Petitioner uses no power except electricity and its operations have been inspected and approved as to Air Pollution requirements. (Control).

All persons interested in the above matter are requested to be present at the Hearings or to submit their written approval or disapproval to the Planning Office, City Hall, Torrance.
