Scout Trails

Scout-A-Scope

"Disneyland Moves to the Coliseum" on the night of Saturday, June 2, for the first Los Angeles Area Council Scout-A-Scope. Thousands of Cubs, Scouts and Explorers will take part in this show which is designed to highlight our American heritage, featuring Valley Forge from 1776 to 1957, with a preview of the 1957 National Jamboree which will be held at Valley Forge.

Many of Walt Disney's familiar characters will be on hand to entertain in the four-act show which is divided into Frontierland, Pioneerland, Fantasyland and Tomorrowland in honor of Disney, who is general chairman of the event.

Fess Parker, as Davey Crockett, will lead a detachment of "U.S. Cavalry" in the Frontierland episode, as well as sing "Bang Went Old Betsy."

Such an event gives the boys months of fun and activity in planning and preparation for the big show, thus contributing to the year-round program of growth and development of boys in Scouting.

Cub Pack 211-C

A committee meeting of Cub Pack 211-C was held at the home of Charles Phillips on Fulmar Ave. with Cubmaster Paul Crossman in charge. Bill Walton, area commissioner for Boy Scouts, was a guest at the meeting.

Plans for the monthly Cub Pack meeting May 18 were arranged to be held at the Torrance Elementary Auditorium beginning at 7:30 p.m. Parents and boys will don "hobo" costumes for the evening. Mr. Phillips has undertaken the telephone chairmanship while Larry Brown offered to be the new secretary.

New den mothers are Mrs. Dorothy Hampton and Mrs. C. Meyers. A family picnic is planned for June 10. The next committee meeting in June 5.

Cub Pack 728-C

Members of Cub Scout Pack 728 recently visited the new police administration building in Los Angeles, and it was reported a good time was had by all. To round out the day, the boys of Den 10, under the leadership of Den Mother Bertha Thompson, went on a picnic and toured the Los Angeles county museum.

The home of Mr. and Mrs. Bell was the site of the Cub Scout committee meeting on May 3. Items discussed were plans for a swimming party for the pack on May 18, and the coming Scout-A-Scope.

A den mothers' meeting was held May 7 at the residence of Mrs. Thompson and future meetings will be held June 6 at Mrs. Healy's home, and June 11 at Mrs. Stromberger's residence, 606 Acacia Ave.

Juliette Low Fete

A Juliette Low ingathering, based on the international theme, will be held at Torrance Park from 10 a.m. to 2 p.m. on Saturday.

All girl scout troops in the North Torrance Girl Scout Assn. will participate.

The program, planned by intermediate and junior high girls under the direction of Nadine Wells and Mrs. John Ruckle, will include opening ceremonies, songs and retiring of the colors.

Cub Pack 960-C

Cub Scout Pack 960-C, sponsored by the Seaside PTA, will hold a carnival next Saturday afternoon, 1-5 p.m., at El Retiro Park.

Plans for the event, including booths operated by the Cubs, refreshments, and skits presented by the pack dens, were recently completed under the direction of Pack Leader Jack Waldhoff.

ODD NAME

One of the 32 atolls in the Marshall islands bears the odd name of "New Year."

Franklin Pledges Support For Eisenhower Programs

The importance of backing the Eisenhower program with Congressional support has been spelled out by 17th District Republican candidate for Congress, Charles A. Franklin.

Speaking before a group at the Hawthorne Republican Women's Club's first annual Dinner-Dance, Franklin said "President Eisenhower showed real moral courage when he recently vetoed the farm bill placed before him by a hostile Congress.

"If the President had been supported by a Republican Congress, he never would have been placed in such a position. The President has shown his willingness to place the general good of all the people above the question of partisan politics. The least any of us can do is back President Eisenhower to the fullest possible extent.

"When I go to Congress," Franklin continued, "I shall do all in my power to give our President my full support. Of course, unlike the present Congressman, I will put my own District first, not second. Since there are no farms in the 17th District, the present Congressman put politics first, and his constituents second.

Scout Troop 218

Recent enrollments in Troop 218 have emphasized the need for more scouting equipment. This, in turn, points out the necessity of raising funds. The Scouts of 218 are willing to do their share toward earning these funds and have agreed to collect scrap metal, paper, and rags to be sold. The money will be turned in to the Troop treasury.

Anyone in the Torrance, Lomita, or Harbor City area who has an accumulation of scrap metal, paper, or rags and would like to have a Scout pick it up, may make arrangements by calling any of the following Scout leaders: R. L. Egner, Charles Lupin, W. R. Smittle, Joseph Zacher, or W. J. Olsen.
