## There Is No Better Time To Buy Than Right Now

1. PRICES GOING UP . . . . . 1957 autos will cost me more due to the steel price increase.
2. YOU CAN GET A SELECTION . . . . . Don't wait until the end of the year to look for a car. Right now you can get a selection of color, equipment and body types.
3. IT WILL COST MORE TO TRADE LATER . . . . . New 1956 models are now at ROCK BOTTOM PRICES. You trade for less now.
4. DON'T BE A "SUCKER" FOR PHONY ADVERTISING . . Your local dealer always has and always will give you your "BEST DEAL."
