Office Procedure Class at Harbor Junior College

An evening class in Office Methods and Procedures, designed both for persons interested in training for positions in school offices, and for those already in such positions desiring in-service training, is now open to enrollment at Harbor Junior College, Nicholas Zorotovich, social science division chairman, announced today.

Instruction in the class, which will meet on Wednesday evenings from 7 to 9 p.m., will cover the basic skills of business letter writing, the fundamental principles of filing, the operation of office duplicating machines, stencil cutting, and a review of specialized skills needed in school office positions.

Persons interested in the class can enroll at the next meeting of the class on Sept. 24 or at any time prior to the close of registration on Sept. 26, Zorotovich said.

Instructor of the course will be Mrs. Belle Williams, secretary to the principal at Dana Junior High School.

When using a double boiler, put two or three marbles in the bottom portion before turning on the fire. If water gets dangerously low, the marbles will bang away like mad, but you'll save the bottom of your boiler from burning.

Government Makes Urgent Appeal For Inspectors

An urgent appeal for men and women to serve as government inspectors in Los Angeles area defense plants was made today by Colonel W. S. Broberg, chief of the Los Angeles Ordnance District.

The jobs available involve inspection of component parts or simple assemblies and also dimensional and packaging inspection. They pay $2950.00 a year.

Six months' experience in the manufacture, assembly, repair or inspection of mechanical items is required to qualify.

"All of these jobs involve highly critical Ordnance items that are urgently needed by the Army," Colonel Broberg said. "In the interest of the defense production program it is imperative that these jobs be filled immediately."

Further information and application forms may be obtained from the Board of U. S. Civil Service Examiners at the Los Angeles Ordnance District, 55 S. Grand Avenue, Pasadena, Calif.

Torrance BAPTIST NEWS

Isaiah 53:6, "All we like sheep have gone astray: we have turned everyone to his own way and the Lord hath laid on him the iniquities of us all.

"Notice all includes everyone. you, me, no matter who or what we are one like lost sheep, we are lost from the great sheep fold of God."

This means we all need to be saved. We all need to accept the Lord Jesus, our Savior.

—REV. MORTON.
