POLIO SHOTS TO START HERE TUES.

Polio vaccine for the local district has arrived and inoculation of some 2000 youngsters will start in Torrance November 1, according to Dr. B. A. Kogan, local health officer of the County Health Department.

Shots in other parts of the district have already started.

Local schools have already sent out consent forms to parents or will do so soon, it was stated. Consent of all parents will be required in the Torrance Unified School District.

Only second and third grade children who receive their first shot last spring will be eligible for their second shot now. This includes children who have moved into the district since that time.

Many private physicians now have a supply of polio vaccine available for those not qualifying under the county program.

Dr. Kogan stated that Eli Lilly co. vaccine will be used for at least the first series of the shots.

Los Angeles city schools are now reciving their shots. Included are Halldale, 186th st., and Harbor city schools.

The Torrance schedule is as follows:

Nov. 1—North Torrance and Crenshaw schools.

No. 2— Carr and Steele schools.

Nov. 3—Meadow Park and Madrona schools.

Nov. 8—Newton and Walteria schools.

Nov. 9—Wood and Torrance elementary schools.

Nov. 10— Fern - Greenwood and Nativity schools.

Nov. 15—Lomita, 259th Pl., and St. Margaret Mary schools
