Do Your Employers Furnish You With the
 Latest Edition of the City Directory?

You need it at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

THE IMPORTANCE OF—

Letting prospective customers know about you and your products cannot be overemphasized.

THE BEST WAY TO ACCOMPLISH THIS

is through your advertisement in
 the **CRISS CROSS**
