500 Meter Midget Race Finals Set

The 500 meter midget race finals will be held Saturday, May 26, in the Civic Auditorium.

All boys and girls who won either first, second, or third place positions in any of the three classifications are requested to be at the auditorium at 1 o'clock for car inspection and weighing in of their racers.

Nine boys and girls from each of the 11 playground areas will be competing for the trophies that have been donated by the new car dealers of Torrance.

The Torrance Recreation Department, sponsors of the event, stated that 850 model cars were entered in the playground finals.

Representatives from the new car dealers will judge the best designed cars which are now on display at the Torrance Cycle and Sport Shop. The best designed winner will be announced during the speed races on Saturday.

For a day of thrills and excitement the Recreation Department invites the public to attend the racing of these tiny cars and watch them go zooming down a 40 foot inclined track. Local playground directors will act as judges for the event.

Reappointed To PMFC

Assemblyman Vincent Thomas has been nominated for reappointment as a member of the Pacific Marine Fisheries commission for a term to expire September 19, 1959, according to word from Sacramento.

However, the state senate must approve Gov. Knight's nomination when the legislature convenes next January.

3 Boys To Participate In South Gate-Las Vegas Run

Three local boys will participate in the Third Annual Youth Safety Run from South Gate to Las Vegas, Nevada, this weekend. They are members of the Torrance Police Car Club association, a group of car clubs sponsored by the Torrance Police Officers association of the Torrance Police Dept.

The boys making the trip are Paul Schumert (Chasers), Bob Kelton (Chasers) and Algene McLaughlin (Prowlers). They won the trip by placing highest in a written test based on the California Vehicle Code.

This project is intended to promote good driving and a competitive spirit among the boys between the ages of 16 years through 20 years.

Paul Schumert will be driving a 1956 Plymouth sedan, which was donated to the association by Whittlesey Motors.

Bob Kelton will make the run as an observer in a competitive car, and Algene McLaughlin will be an official on the run.

There will be a group of 26 cities represented on the run.

The run, which will commence May 26, at 6 a.m. from the South Gate City park, will be judged on a ton-mile basis, offering prizes for first, second, and third places, with a special award for the best miles-per-gallon vehicle. Cars will leave at two minute intervals with Police Officers evenly spaced throughout in official cars to insure close supervision and maximum safety precautions. The driver, with an observer in the same car who is from a competing club, will make his first stop at Barstow where arrangements have been made to feed the boys, refuel the cars, and rest for a one-hour period.

Commencing again, these cars will go across Hoover Dam to Bolder City, Colorado, where they will turn around, and return to Las Vegas where they will be impounded overnight at the Nellis Air Force Base. The contestants will be under an 11 p.m. curfew, and will have the following day to enjoy Las Vegas and the surrounding area.

Various Las Vegas Civic groups, and the Police Department, have made arrangements for special events on Sunday for all contestants, who must again be in their quarters by 11 p.m., in order that the run may commence on its homeward journey at 6 a.m. Monday morning, May 28.

Officer Buck Ingram, the director of the Torrance Police Car Club association and Sgt. Joe B. Miles of the Torrance Police Traffic Dept. will accompany the boys on the trip.

BALL GAMES THIS WEEK
