THIS DIRECTORY is the most effective and far-reaching of all methods for contact with the people either by telephone or in person. It is thoroughly up-to-date as all information in it has been obtained by a house-to-house canvass. Your advertisement whether large or small will be working for you 365 days in the year.

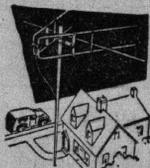

Listings appearing in the Classified represent the business and professions who have made the Directory and its free circulation possible. They represent the more progressive business firms. Patronize them—they are equipped to serve you better!
