TERMS OF SALE

Interest Rate: The maximum rate bid may not exceed 5% per annum payable annually the first year and semiannually thereafter. Bids must be a multiple of ¼ of 1%. No bidder shall bid more than one interest rate. No bond shall bear more than one interest rate.

Award: The bonds shall be sold for cash only. All bids must be for not less than all of the bonds hereby offered for sale and each bid shall state that the bidder offers par and accrued interest to the date of delivery, the premium, if any, and the interest rate not to exceed that specified herein, at which the bidder offers to buy said bonds. Each bidder shall state in his bid the total net interest cost in dollars and the average net interest rate determined thereby, which shall be considered informative only and not a part of the bid.

Highest Bidder: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which would be required to be paid from the date of said bonds to the respective maturity dates thereof at the coupon rate specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The purchaser must pay accrued interest, computed on a 360-day year basis, from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

Right of Rejection: The Board of Supervisors reserves the right, in its discretion, to reject any and all bids and to the extent not prohibited by law to waive any irregularity or informality in any bid.

Prompt Award: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than twenty-six hours after the expiration of the time herein prescribed for the receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given to said Board notice in writing of the withdrawal of such proposal.

Place of Delivery: Delivery of said bonds will be made to the successful bidder at the office of the Board of Supervisors of the County of Los Angeles, in the City of Los Angeles, California.

Prompt Delivery, Cancellation for Late Delivery: It is expected that said bonds will be delivered to the successful bidder within 30 days from the date of sale thereof. The successful bidder shall have the right, at his option, to cancel the contract of purchase if the district shall fail to execute the bonds and tender them for delivery within 60 days from the date of the sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

Form of Bid: Each bid, together with the bid check, must be in a sealed envelope, addressed to Board of Supervisors of Los Angeles County, with the envelope and bid clearly marked "Proposal for Torrance Unified School District Bonds."

Bid Check: A certified or cashier's check on a responsible bank or trust company in the amount of 3% of the principal amount of the bonds, payable to the order of the County Treasurer, must accompany each proposal as a guaranty that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The proceeds of the check accompanying any accepted proposal shall be applied on the purchase price or, if such proposal is accepted but not performed, unless such failure of performance shall be caused by any act or omission of the district, shall then be retained by the County Treasurer for the benefit of the district. The check accompanying each unaccepted proposal will be returned promptly.

Change in Tax Exempt Status: At any time before the bonds are tendered for delivery the successful bidder may disaffirm and withdraw the proposal if the interest received by private holders from bonds of the same type and character shall be declared to be taxable income under present federal income tax laws, either by a ruling of the Bureau of Internal Revenue or by a decision of any federal court, or shall be declared taxable by the terms of any federal income tax law enacted subsequent to the date of this notice.

No Litigation Certificate: At the time of payment for and delivery of said bonds the district will furnish the successful bidder a certificate that there is no litigation pending affecting the validity of the bonds.

Legal Opinion: A copy of the legal opinion of the attorney or firm of attorneys designated by the purchaser to give such opinion certified by the Clerk of the Board of Supervisors, or by his deputy, by his facsimile signature will be printed on the back of each bond at the expense of the successful bidder if requested in his bid.
