"What Price Success" is Sunday Text

In his sermon Sunday, on "What Price Success" Rev. Earl D. Barnum of the Church of Religious Science will explain: "Our teaching should not be confused with the idea that we can show people how to get what they want, regardless. True prayer must be, 'Thy will be done' but the implication relative to the Will of God in this prayer is not submission to the inevitability of evil or limitation; it is a knowledge that the Will of God is always Good. The law is a law of liberty but not of license. This law we did not make. It is exact and exacting, and unless we are willing to comply with Its Nature and work with it, along the lines of Its inherent being, we shall receive no great benefit. Every man must pay the price for that which he receives and that price is paid in mental and spiritual coin."

Services are held at 11 a.m. each Sunday in the Masonic Temple in Redondo Beach, Ruby and Catalina. The Children's Church, under the direction of Dr. Evelyn Earle, and the Metateens (the teen-age Church) under the direction of Adrian Eibee, M.R.S. also meet at eleven o'clock. A nursery is provided for prechurch school children and infants while parents attend services.

Lillah Beauchamp is soloist with Carol Rash at the organ.

CHRISTIAN SCIENCE SUNDAY TEXT 'UNREALITY'

"The blessing of the Lord, it maketh rich, and he addeth no sorrow with it." So reads one of the Proverbs of Solomon (10:22) which is used as the Golden Text of the Sunday Lesson-Sermon on "Unreality" in all Christian Science churches.

The Bible selections point out the way to surmount the daily problems which tend to weaken, frighten, or destroy. The hungry, five thousand of them according to John's Gospel, were fed by Jesus with five barley loaves and two fishes, and we read that "When they were filled, he said unto his disciples, Gather up the fragments that remain, that nothing be lost. Therefore they gathered them together, and filled twelve baskets with the fragments of the five barley loaves, which remained over and above unto them that had eaten" (6:12, 13.)

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "In the scientific relation of God to man, we find that whatever blesses one blesses all, as Jesus showed with the loaves and the fishes. Spirit, not matter, being the source of supply" (p. 206).

The Torrance Memorial Chapter of American Gold Star Mothers will hold a food sale at the Gay Shop, Sartori Avenue, Torrance, Saturday morning beginning at 9:30 A.M. Donations of home-cooked food will be appreciated.

Sunday Christian Science Sermon Text, "Reality'

How spiritual reality, when understood, improves human affairs today as in Bible times will be discussed in the Sunday Lesson-Sermon on "Reality" in all Christian Science churches.

This verse from Jeremiah (51: 10) is the Golden Text: "The Lord hath brought forth our righteousness: come, and let us declare in Zion the work of the Lord our God."

A Scriptural selection from Matthew relates that "Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness. . . among the people." In his Sermon on the Mount he taught, "Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God." (4.23, 5:8,9).

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "The individuality of man is no less tangible because it is spiritual and because his life is not at the mercy of matter. The understanding of his spiritual individuality makes man more real, more formidable in truth, and enables him to conquer sin, disease, and death." (p. 317).

Funeral Held for Brother of Service Center Director
