Cincinnati Plays Pair With L.A.

Cincinnati, making a powerful bid to end Boston's stranglehold on the NBA's Eastern Division championship, comes to Los Angeles for two big games with the Los Angeles Lakers tonight and Friday nights at the Sports Arena.

The Royals have basketball's second best one-two punch in Oscar Robertson and Jerry Lucas, but the usual two-man show has been getting excellent support this season from Adrian Smith and Harold 'Happy" Hairston to challenge the Boston dynasty which has included nine straight Eastern Division titles and seven consecutive world championships.

But Cincy, tabbed for third place in the East by most experts, took over the lead last week with Robertson averaging 31 points a game and Lucas just under 22. Robertson had his usual league lead in assists, averaging 11.2 a game, and Lucas was third in the NBA in rebounding with 21.7 a game.

The difference over past seasons, however, was coming from Smith and Hairston. Smith, chosen most valuable player in the all-star game, was averaging 19.6 a game, and Hairston, playing as "sixth man" for the Royals, was 14.4.

Cincinnati had the best shooting team in the league (.451) and Hairston was the second most accurate shooter in the loop (.525).

Harbor Co-eds Win In Sports

It's not just the man who came home with sports trophies at Harbor College. The girls have been getting in the act lately.

Harbor's women's volleyball team won the Southern California Junior College trophy by defeating teams from Pierce, El Camino and East Los Angeles at Pierce College.

The Harbor girls are Phyllis D'Ambra, Annette Lewis, Sandy Sena, Suzie Sena, Lindy Swanson and Malama Viena.

Two co-ed tennis teams also did well in the Southern California mixed doubles tournament at Citrus College. In the top flight Sharon Gibbs and Manny Perez reached the finals before losing to Berk and Ehlers of El Camino in three sets.

Jeanne Driscoll and Randy Maas also reached the finals of the second flight before losing in three sets to Decsy and Albright of El Camino.

Thirteen schools were represented in the tournament. A team composed of Margie Mead and Jerry Hatchett competed in the top flight as did Pat Mallcty and Dennis Henry in the lower brackett.

GEORGE SCHINDLER

New Boat Arrives At Redondo

AL BISHOP

An "old friend" to Long Beach anglers moved to Redondo's King Harbor Lagoon last week. The Sea Angler is now running the full-day fishing fiesta out of the Redondo landing. She can carry 80 fishermen and her clean twin diesels can keep up with the fleet.

☆ ☆ ☆

Also up from San Diego and docked at the landing in San Pedro is the Holiday. It will undergo a month of interior remodeling and the installation of showers. Cap't. Steve says the boats come from the finest maker in the country.

The latest from Marineland says there is a new pair of Manta Shrimp captured from the waters off Redondo Beach. They look very exotic and tropical but prefer water about 55 degrees. Brrrrr.

Tourist Trophy Scheduled For First Motorcycle Race

More than 150 riders will compete in the first motorcycle racing meet of 1966 — an 18-event Tourist-trophy event — at Ascot Park Sunday afternoon.

Post time for the first race is 2 p.m., with time trials set for 1 p.m.

Much interest is attached to the debut in expert ranks of Gene Romero, San Luis Obispo rider, who was the 1965 titlest in amateur ranks. With the start of the new year Romero and the other amateurs will be moving into the expert class.

Momero will now have to duel with such veteran standouts as Eddie Mulder, Burbank, the 1965 tourist-trophy champion; Dick Hammer, Lakewood; Jack Simmons, Ralph White and Bob Bailey, Torrance, and Skip van Leeuwen, La Habra.
