We Finance ANYONE

Get a reliable transportation car. We don't care if you don't have credit elsewhere, our credit terms are available to anyone who has a steady job. Use our exclusive "work up" plan—drive a good temporary car, pay $10 per week and buildup to any model you want. You get full credit for every payment against a newer car. This offer not available anywhere else in Southern California.

NO MONEY DOWN

We will accept any article of value as a down payment on a good transportation car . . . Absolutely guaranteed, with a 1 week trial exchange privilege.

WE CARRY OUR OWN CONTRACTS

No red tape—no side loans—no credit necessary. All you ned is a steady job and good character. If you have $25 to $95 down and can afford $10 per week payments, you can drive out in a fine transportation car.
