MORE AND MORE buyers need to sell their present home before buying: with our two (2) offices we are better able to market the guaranteed sale "trade-in." This works to the advantage of You the buyer and You the seller.

The VALU-VISION Story

NINE (9) photos in KODACOLOR of YOUR home (inside & out) are displayed in our office when you list with us (at no cost to you).

Neither darkness nor rain prevents us from showing your home. Every day is OPEN HOUSE in one of our inviting offices. We separate the buyers from the lookers in our display room, not in your living room!

More and More prospective buyers come to us from other parts of the country—sent to us by another VALU-VISION franchise holder. (We are the exclusive Agents in this area).

The Opening of our 2nd office also provides us access to more income properties. We have many clients who have expressed a desire to invest in apartment buildings or land —for income or tax shelter.
