HEART HONOREE . . . It was a proud moment last week at the Los Angeles County Heart Association's Southwestern Branch for Martha Shock (second from left) as she received an award for eight years of heart service to the Heart Association in Torrance. Admiring her award are other Torrance residents Glenda Merker, newly-elected secretary of the Lawndale-based Heart branch; Mrs. Frances Marchbanks, three-year heart award recipient; and Dr. Steve K. Liu, cardiologist head at Harbor General Hospital, the newly-elected Heart Branch's vice chairman.

White Lines On Freeway Obsolescent

Plain and reflective raised pavement markers are rapidly replacing the painted white lines between lanes on California highways.

The state Department of Public Works has awarded a $265,140 contract to Traffic Appliance Corporation of Los Angeles to place the markers on 48 miles of Interstate 405 (San Diego) Freeway between the Orange County line and the Interstate 5 Freeway.
