

58 YEARS AND STILL GOING STRONG

Torrance Plumbing under the direction of owner Fay L. Parks opened its doors in 1917 in downtown Torrance. It has the distinction of being the only business in the area started at that time which is still in operation today.

Mr. Parks watched his firm flourish for over half a century before his death in 1971. His widow Addie Parks still resides in the Torrance area.

Present owner Clifford Boots who still does business at the 1418 Marcelina address began his career with the Parks firm in 1947 as an apprentice.
