Genealogy Club Slates Meeting

Members of the South Bay Genealogical Society will meet Friday at 7:30 p.m. in the community room of Culver Federal Savings and Loan Association at Sepulveda and Artesia Boulevards, Manhattan Beach. Harry J. Ford will speak.

SAVINGS MONTH . . . Cabrillo Savings and Loan Association has been giving away special savings banks during the month of April in observance of Young Saver's Month. Michael Quaranta, executive vice president, said the banks are designed with a dimensional portrait of Juan Rodriguez Cabrillo and are accompanied by a 16-page booklet entitled "The Story of Money." Three-year-old Andrea Quaranta shows one of the banks here. Quaranta noted that in 1542 Cabrillo anchored his windjamming galleons off the Palos Verdes Peninsula after a journey up the California coast from San Diego Harbor, which he had discovered. Many listings in the classifications — "Employment offered, men or women" and "Employment wanted, women" are not intended to exclude or discourage applications from persons of the other sex. Such listings are for the convenience of readers because some occupations are considered more attractive to persons of one sex than the other. Discrimination in employment because of sex is prohibited by the 1964 Civil Rights Act with certain exceptions (where sex is a bona fide qualification, firms with less than 100 employees, etc.) Advertisements containing the abbreviation "M." & "F." or other phrases such as—"Open to men or women" "Equal opportunity employer," "Oper to either sex," "Engineer—men and Women," etc. indicate that the positions are open to either qualified men or women.
