NOTICE FOR BIDS ON SCHOOL SUPPLIES, EQUIPMENT, AND REPAIRS

Notice is hereby given that the Board of Education of the Torrance Unified School District of Los Angeles County will receive bids for furnishing certain school supplies, equipment, and repairs as per list and specifications on file in the Business Office, 2335 Plaza Del Amo, Torrance, California.

Each bid must be submitted on a printed form furnished by the Board of Education; must be sealed and filed in the Business Office on or before Monday, November 28, 1960, at 10 A.M. and will be opened in public at that time and place. Each bid aggregating $1,000 or over must be accompanied by a certified or cashier's check for not less than 5% of the total amount of bid; provided that if only certain items of a bid are accepted the bidder may thereupon substitute a certified or cashier's check for 5% of the aggregate amount of the accepted items on his bid; and providing further that firms doing business regularly with the Board of Education may at the discretion of the Business Office and in lieu of the above mentioned check, file with the Torrance Unified School District, an annual or continuing surety company's bond in the sum not less than $5,000.00 to insure compliance with the terms of their signed bids submitted from time to time during the life of the bond.

The above mentioned check or bidders bond shall be given as a guarantee that the bidder will comply with the terms of his signed bid; and if the successful bidder fails thus to comply with the terms of the signed bid, after acceptance thereof by the Board, his check or bond will be forfeited.

Preference shall be given to supplies, materials or equipment produced, manufactured or grown in the State of California.

The Board reserves the right to reject any and all bids, or any part of a bid, and to waive any informality in the bids received.

Firms or individuals desiring to submit bids from time to time on school supplies and equipment, shall list themselves with said Business Office of the Torrance Unified School District.

STATE OF CALIFORNIA — DIVISION OF HIGHWAYS
DEPARTMENT OF PUBLIC WORKS — NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 406, Division of Highways Building, 120 South Spring Street, Los Angeles, California, until 2 o'clock p.m. on December 15, 1960, at which time they will be publicly opened and read in Room 2 of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Los Angeles County, between 0.1 mile south of 190th Street and 0.1 mile north of 174th Street in Torrance (VII-LA-158-C,LA,Tor), about 3.5 miles in length to be graded and paved with portland cement concrete on cement treated base, and bridges and pumping plant to be constructed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be prequalified as required by law.

The Department of Public Works reserves the right to reject any or all bids.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour
phw	per hour worked
php	per hour paid
phw/p	per hour worked or paid
psth	per straight time hour
psthw	per straight time hour worked
psthp	per straight time hour paid

pd	per day
pdw	per day worked
pdp	per day paid
pdw/p	per day worked or paid
w	wage
gw	gross wage
tw	total wage
pmd	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project. Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:

Officer Ends Local CHP Bus Training

California Highway Patrolman Willard R. Barnett, of the Zone V (Los Angeles) office, has completed an in-service training course for school bus officers at the Patrol's Sacramento Academy.

A review of school bus inspection procedures, and examination of school bus drivers, comprised major portions of the three-day course.

Officer Barnett, who lives in Torrance, has been a patrolman 13 years. He has taught traffic safety education at Long Beach State College.

Before joining CHP, Barnett was a member of the Torrance Police Department.
