$1000 in Loot Taken

Nearly $1000 loot was taken by burglars who bored through the roof of the S&H Green Stamp Redemption Store at 20914 Hawthorne Ave., police reported yesterday.

Investigators said the thieves used a brace and bit to create a crawl-hole through the plywood roof of the building.

They made off with cameras, watches, electric razors and about $100 in cash.

least ten percent (10%) of the amount of the bid. Said certified check or bidder's bond will be forfeited should the successful bidder fail to enter into a Contract to do the work herein specified and to furnish the necessary bonds within twenty-five (25) days after the date of the award of the Contract.

The successful bidder will be required to furnish surety bonds satisfactory to the City Engineer in an amount of not less than fifty percent (50%) of the amount of the bid as a guarantee of the faithful performance of the Contract, and in an amount of not less than fifty percent (50%) of the amount of the bid as a guarantee of all labor and materials used in the performance of the Contract.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the City Council has ascertained the general prevailing rate of per diem wages in the locality in which the work is to be done for each craft or type of workman needed in the execution of this contract.

Foremen, except as otherwise separately classified, shall be paid not less than $2.00 per day more than the journeyman rate for the craft involved:

Provided that not less than one and one-half times the prevailing rate shall be paid for any working time more than eight (8) hours during any one calendar day, and for time on Saturdays, Sundays, and the seven legal holidays, to-wit: New Year's Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day and Christmas Day.

Provided that notwithstanding the general provisions contained herein, Flagmen, Guards, and Watchmen shall be paid one and one-half times the prevailing rate for time worked in excess of eight (8) hours per day or for the sixth consecutive day worked, or for holidays except when the holiday falls on the seventh consecutive day worked which shall be two (2) times the prevailing rate, and two (2) times the prevailing rate for the seventh consecutive day worked, for time worked on Saturdays, Sundays and Holidays where such time does not constitute overtime.

The foregoing prevailing wage schedule is based upon a working day of eight (8) hours and in the event that laborers, workmen, or mechanics are employed less than eight (8) hours per day, the rate per diem wages shall be deemed to be that fraction of the foregoing rates that the number of hours of employment bears to eight.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the proposed Contract, shall be commensurate and in accord with the rates specified for similar and comparable classification or for those performing similar or comparable duties.

It shall be mandatory upon the Contractor to whom a Contract is awarded, and upon all Subcontractors under him, to pay not less than said generally prevailing rates of per diem wages to all workmen employed in the execution of the Contract.

The time within which the aforementioned work must be completed by the Contractor undertaking the same has been fixed at thirty (30) working days from and after the date of the execution of the contract agreement.

All bids will be compared on basis of the City Engineer's estimate of the quantities of the work to be done. In case of discrepancy between words and figures, the words shall prevail. Any errors in extension or additions shall be corrected and the total bid price shall be adjusted in accordance therewith. Any alteration of, or addition to the form of the proposal which qualifies the bid will invalidate same.

All bidders must be licensed in accordance with the provisions of Business and Professions Code, as amended.

The City Council reserves the right to reject any or all bids or waive any informality, technical error, or discrepancy on a bid if said action is deemed to be advantageous to the City.

Plans, specifications and proposal forms may be obtained from the Office of the City Engineer, Room 20, City Hall, 3031 Torrance Blvd., Torrance, California, upon payment of Five Dollars ($5.00) which is a charge and not refundable.

By order of the City Council of the City of Torrance contained in Resolution No. 3996 adopted on the 21st day of June, 1960, and in accordance with Section 5245 of the 1911 Improvement Act.
