The City Council of the City of Torrance does ordain as follows:
SECTION 1.
That Section 19.40 of "The Code of the City of Torrance, 1954" is hereby repealed and the following provision is substituted therefor to read in its entirety as follows:
"Sec. 19.40. Drilling outside district.

SECTION 2.
The City Council hereby finds and determines that this is an ordinance for the immediate provision for the protection of the health and safety of its residents and that the facts constituting its urgency are as follows:
That the effect of this ordinance is to prohibit the drilling of oil wells in certain portions of the city which have already been developed as residential or commercial areas and in certain portions of the city which are now being developed as residential or commercial areas.
That the drilling of oil wells in said areas would materially and irreparably interfere with and nullify the over-all zoning plan of the city.
That the drilling of oil wells in the vicinity or adjacent to said areas would materially impair the property value of land in said areas, constitute a menace to children and be a continuing nuisance to residents of said areas.
SECTION 3.
If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions

Every day such violation is committed, or permitted to continue, shall constitute a separate offense and shall be punishable as such hereunder.
SECTION 5.
This ordinance for the reasons aforesaid is hereby declared an urgency measure necessary for the immediate preservation of the public health and safety of the inhabitants and property owners of the City of Torrance, and this ordinance shall take effect and be in full force immediately after the passage and adoption thereof.
