**To Get the Very Best Results
 From Your Telephone—**

Please make sure of the number, give it carefully, and give the called person time to answer. A certain percentage of calls are lost every day because all telephone users do not make sure of these simple steps.

**Keep This
 Doorway Open!**

Merchants believe in keeping their store doors wide open to customers.

Yet stores have another doorway, frequently used more than the main entrance itself. That doorway is the TELEPHONE.

If the store has enough main lines and enough telephones, how easy it is for customers to buy!

Are you sure YOUR business has enough telephone lines?
