Be sure and tell advertisers when you call that you saw their announcement in the "Buyer's Guide."

"It's easy to be a good housekeeper if I use the Buyer's Guide."

"People call me an unusual manager, but I have simply learned to make use of the yellow telephone pages."

Have you noticed how much more frequently you use the telephone than in former years? Everybody uses the telephone more and more. This has created a whole new method of buying—by telephone. The Buyer's Guide is one result of this new business mode.
