Are You a Victim of LOWER PLATE WOBBLE?

IMPROVED METHODS designed to INCREASE STABILITY are helping hold thousands of rocking slipping "Lowers" IN PLACE . . . Ask your dentist how they may apply to YOUR particular case.

Read My Informative Booklet

This 12 PAGE booklet was written for THREE PURPOSES:
FIRST, helps you to be happier with your present plates—may put off the time you'll need new ones. Suggestions about CLEANING PLATES and adjustments to relieve sore spots or AID COMFORT make it easier to "Live with your dental plates."
SECOND, Lower, Upper, Partial plates and Bridgework of various types discussed. IMPROVED FEATURES EXPLAINED.
THIRD, I tell in detail how you can obtain new plates on a plan that is ridiculously easy on your purse.
