People can't reach you by telephone when
the instrument is left "off the hook." Your
line is "busy" to anyone calling.

For full use of your telephone, please
keep your instrument "Hung up"—ready
for service!

Books may raise RECEIVER

Books are all right in their place—
But their place is not under the
receiver of your telephone. They
may raise the receiver just enough
to interrupt your telephone service.
See that your telephone is not
"booked" for trouble.

Southern California
Telephone Company

Ashton & Morris

What Calls Did He MISS?

He'll never know; for he
failed to replace the receiver
of his telephone.
Don't miss your calls. They
may be important. See that
the receiver is properly re-
placed.
