Mr. and Mrs. George Barnes and three children left for St. Louis, on Tuesday afternoon, where they will be at home, in their former home. The many friends of Mr. and Mrs. Barnes deeply regret their departure, and only hope they may, after all, conclude to resume their residence and pleasant church and social relations in Torrance.

There are always a few knockers in every locality, but the boosters outnumber them by far. Better join the Boosters Club, Mr. Knocker. Your boat will sail smoother.

FILIPINO LEGISLATORS DEBATE IN ENGLISH.

The English language recently was used for the first time in the debates of the Filipino House of Representatives.

The fact was noted to the United States Insular Affairs Bureau. The principal speakers were Messrs. Benitez, De Guzman and Virata. These members are graduates from the University of the Philippines.

English is taught exclusively in the public schools of the Philippines, and it is announced, will continue to be if independence is granted. According to an estimate based on the census just completed, seventy per cent of the inhabitants of the Philippines over 10 years of age are literate. This is a higher percentage of literacy than that of any South American country.

Needlecraft now on sale each month at Herald Stationery Shop.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Back bothers you—Drink lots of water.

Being most regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right or if bladder bothers you, get about four ounces of Gad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending backache, rheumatism, and bladder trouble. Gad Salt cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

HOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.

SAGE TEA PUTS LIFE AND COLOR IN HAIR
Don't stay gray! Sage Tea and Sulphur darkens hair so naturally that nobody can tell.
You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 60 cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old, famous Sage Tea Recipe are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.
Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stops.
This is the age of youth. Gray-haired unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur to-night and you'll be delighted with your dark, handsome hair and youthful appearance within a few days.

Do Your Tires Wear Out or Blow Out?
A tire properly cared for is like the famous One Hoss Shay—When it wears out, all parts wear out at the same time—without waste.
The tire that is neglected or abused will not perform satisfactorily. The neglect or abuse of tires will surely bring about their failure and destruction.
We keep you out of trouble, instead of the unsatisfactory and costly practice of getting you out, after you are in difficulty.
This unquestionably assures you: **MORE MILEAGE—MORE COMFORT, and MORE SECURITY.**
Our Service is free to you. It means much in saving to you.
