**ORCHESTRA CONCERT**

The orchestra concert given at  
Central Evangelical church last  
Tuesday evening will be very  
pleasantly remembered by those  
who were fortunate enough to be  
present.

There were about thirty people  
in the orchestra, several being ob-  
liged to be absent on account of  
illness. The attendance was also  
below par for the same reason.

But it made up in enthusiasm what  
it lacked in numbers and repeated-  
ly called for encores. The tenor  
solos of J. E. Williams and of M.  
J. Jones, baritone, and the duet by  
the two added much to the even-  
ing's program.

Miss Katherine Page pleased the  
audience with her bell solo, but  
the single number that brought  
forth the greatest applause was the  
saxophone solo by Mr. Herbert Van  
Riper.

The orchestra rendered all its  
numbers well, but the selection  
that seemed most to please those  
present was the overture, "Ameri-  
can Standard." Much credit is  
due the two directors, Mr. Floyd  
Peters of the Gardena M. E. Or-  
chestra and Mr. William Timbs of  
Central Church Orchestra, for the  
excellent program given. As a re-  
sult of the concert several new  
members will join Central Church  
Orchestra.

After the concert was over the  
members of the orchestra were  
served with refreshments in the  
dining room of the church.
