There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Remedy, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy. It is taken internally and acts upon the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Remedy fails to cure. Send for booklet, "Cure of Catarrh." Catarrh Remedy, F. J. Cheney & Co., Toledo, Ohio.

THE HARRASSED EDITOR

"Getting out a high-class family journal," said the editor, "is no picnic. If I print jokes, folks say I am silly—if I don't, they say I am too serious. If I publish original matter, they say I lack variety—if I publish things from other papers, they say I am too lazy to write. If I don't go to church, they say I am a heathen—if I do go I am a hypocrite. If I stay in the office, I ought to be out rustling for news—if I rustle for news, I am not attending to business at the office. If I wear old clothes, I am sloven—if I wear new clothes, they are not paid for. What in thunderation is a poor editor to do, any-I swiped this from an exchange. So I did!"
