Young People's Society Organized At Central Church

Central Evangelical church was the scene of a large gathering of young people on Thursday evening of last week, when about forty gathered in the dining room, where a fine dinner was served. The object of the meeting was to talk over the advisability of organizing a Young People's Society, and had it not been for the limited room many more would have been invited to this initial gathering.

After the dinner, Rev. Weatherawx introduced Mr. Perry Briney as chairman of the meeting. After an opening remarks introducing the subject, the chairman read the constitution of the society general of the Evangelical Church and then called for an expression from various ones present. A general free discussion followed and on motion it was unanimously voted to organize at once, and the following officers were elected:

President, Mr. Perry Briney; vice president, Mr. C. H. Van Hellen; recording secretary, Miss Ruth Spreng; correspondence secretary, Miss Mable Christopher; treasurer, Mr. J. N. Post.

After this business had been attended to, the chairman introduced Rev. Clyde Boger, recently of Fort Wayne, Indiana, now residing in Los Angeles who spoke of Young People's work in a general way, showing in a very happy manner the opportunities that await a good live organization in a town like we have here.

Mr. McCullom rendered two solos, and a quartette number was given by Dr. and Mrs. Neelands, Mrs. Briney and Mrs. Van Hellen. There were thirty-six who signed as charter members of the new society.

It was decided to hold the charter open until the next meeting which will be about Jan. 11th. The executive committee held their first meeting Saturday evening in the pastor's study and planned for a big "Watch Night" meeting to be held New Year's eve, in the church. The tentative plan is to begin about 8:30 with

QUIT LONG BEACH FOR LOMITA

Mr. and Mrs. Geo. Kellar of Almond street, Lomita, have sold their home to Mr. and Mrs. C. E. Wells of Long Beach, but formerly residents of Denver. The deal was closed Friday through the agency of Mrs. Julia Autry, real estate agent of Lomita, and the sale was made to two of the most worthy boosters for this section. Mr. Wells is employed with the Ruedbach Market, San Pedro, and will with Mrs. Wells and two sons occupy their new home about January 1st. Upon her first trip to Lomita, Mrs. Wells attended the Ladies' Aid Bazaar and there met so many agreeable and friendly ladies that she thought struck her that this was the one place for a home, as she having been connected in a dozen or more drives for the Red Cross during the war, and receiving medals for her proficient work, is well prepared to recognize real hospitality. On the other hand Lomita welcomes such enthusiastic boosters who are interested in public welfare organizations.

LOMITA PEOPLE IN AUTO ACCIDENTS
