

VAUDEVILLED TO FUDGE

"Vaudevilled to Fudge" is perhaps the best way to describe the career of Miss Dolly Judge, whose fame is spreading as the proprietor of the "entirely different" "Dolly's Fudge Shop" in Greenwich village, New York. The titian-haired miss was not always a maker of fudge. As she says: "I ran away from a convent at fourteen, and joined up with a circus at Manchester, England. Then Madame Modjeska took me up and put me with Ben-Greet. Next I met Charles Frohman, with whom I was eight years. He brought me to this country. After that I vaudevilled. Then I determined to go into business and do something all alone—to do something with my hands, to build something from almost nothing—hence fudge."

MACABEES MEET

A meeting of the Macabees was held Tuesday evening. After routine business affairs were dispensed with a social evening was passed. Prizes were awarded for the swiftest and best sewing of quilt blocks, Mrs. Geo. Watson carrying off first prize and Mrs. A. W. Garton consolation prize. Mrs. Watson auctioned off her prize, and received fifty cents. Mrs. Romney Lee being the lucky bidder, Mrs. Nettie Steinhilber and Mrs. Lee were hostesses for the evening and served refreshments to the ladies. One of the important features of this association is the Woman's Benefit Auxiliary of the order. It is purely a woman's organization and is the largest in the world, with headquarters in Port Huron, Mich. The founder of this order, Mrs. Bina West, instituted this auxiliary twenty-eight years ago, and today it has a membership of 200,000 and has a reserve fund of \$12,000,000 and their rates have never been raised. During war times and the influenza epidemic they met all their obligations without touching their reserve fund and every member is safely protected in this association. The order is represented in all states of the Union and Canada and also Hawaiian Islands. The convention for 1923 is to be held in Los Angeles, a large Auditorium is promised. Over 15,000 are all ready booked for this convention in 1923 to be held in Southern California.

TORRANCE CHURCH NEWS

First Baptist Church of Torrance "Where Did Cain Get His Wife?" The modern infidel claims a discrepancy in the Bible. He says if Cain was the first child of Adam and Eve there was no one for him to marry. But the Bible says he was married. Where did he get his wife? The question will be answered during the Sunday evening service, which commences at 7:30 promptly. There will be a song service, some special music, and a new chorus for you. At the morning service the topic of the sermon is "Christ Superior to Moses." You are welcome. "Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap."—Galatians 6:7. Carl Bassett, the "whirlwind" evangelist, will be with us for a campaign for souls, January 23rd.

Pays \$2,000 to Stop Nosebleed

Denver.—An attack of nose-bleeding cost Morris T. Streeter, millionaire coal mine owner, \$2,000 and made necessary the chartering of a special train to carry a Denver specialist to the isolated point in Moffat county, Colorado, where Streeter was. At the end of the dash over the mountains in the special train, the specialist had to ride thirty miles in an automobile over the rough roads of Mount Streeter. When Streeter first began to lose blood, and after first aid measures had failed to check the flow, an unsuccessful effort was made to secure an airplane to carry the specialist the 300 miles from Denver to Streeter. Despite the fact that the run was over tracks weakened by recent storms, record-breaking time was made. The train alone cost Mr. Streeter \$1,700, including war tax, and the physician's fees and other charges brought the total to more than \$2,000. But the bleeding was stopped.

PULPWOOD EXPORTS FALL OFF

Canada Sends About Half Normal Supply—Prices Away Up, Says American Consul.

Washington.—Exports of pulpwood from Canada to the United States for the 11 months ending with February amounted to only 790,828 cords, against 1,496,107 cords for the corresponding period of the preceding year, according to a report received here from the American consul at Kingston. February exports were 62,351 cords, a decrease of 93,000 cords from the same month last year. The value of pulp and paper exports for the 11-month period increased to \$92,000,000 from \$74,000,000 for the corresponding period of the preceding year, with the February increase amounting to \$2,226,000.

CUT GOTHAM BARBER PRICES

Union Men to Open Shops, With Haircuts at 35 Cents, Shaves 15 Cents.

New York.—Prices of shaves and haircuts in New York soon will be cut to 15 and 35 cents, respectively, according to Leon Worthal, general organizer of the International Barbers' union. The cut rates will be made in new barber shops, which, he said, will be opened by the Barbers' union or individual union members. Barbers in the new places, he said, will receive the union scale of \$30 a week with 50 per cent of all earnings above receipts of \$42 a week. Tipping will not be barred. Thirty-five cents will be the price also for a massage, shampoo, shingle or manicure.

Iron Will Run in the Family. Flemingsburg, Ky.—John Conley, aged eighty, is dead near here. He boasted that he had never cast a vote since the negro was given the right of ballot. He wanted to vote for Grover Cleveland for president, but stuck to his vow. His mother, Mrs. Mary Conley, though living within one mile of the Mayeville-Mount Sterling pike for fifty years, never saw it.
