

**TORRANCE CHURCH NOTES**  
Central Evangelical Church

**E. L. WEATHERWAX**  
Pastor of Central Church, Torrance

Central church revival meeting Tuesday evening took on new interest. The attendance was splendid. The evangelist delivered a most earnest message and when at the close of the sermon he invited those to come to the front who wished to yield themselves completely to Christ, the altar of the church was crowded with earnest people. There was old time gospel singing and the joy of salvation was shining forth in the countenance of many. A great far reaching meeting for the blessing of scores of people in Torrance is assured.

The pastor and evangelist will be seen each day at the study of the church at 12 to 1:45.

A question box in which any person may put questions will be opened each evening.

Central Evangelical Church is enjoying a season of special interest, having evangelist D. B. Kingsley as leader in what is expected to be a very helpful and enthusiastic evangelistic campaign. Mr. Kingsley spoke twice Sunday and proved to be a very delightful speaker and pleasing to all. The meetings are going forward and Mr. Kingsley will speak each evening. Next Sunday the evangelist will speak at 10:45 a. m. "Christ's First Words From the

Cross," and in the evening he will speak on "Child Training." Sunday afternoon 1:45 to 2:30 Mr. Kingsley will conduct a meeting for boys and girls, (he invites parents and friends to attend also) which will be most interesting and helpful. Friday evening of this week is children's evening, when the junior chorus will sing and the evangelist will give part of his attention to children.

Each evening next week the evangelist will hold a short interesting meeting with the children after school.

This Friday night the evangelist will request the boys and girls to write him a confidential letter stating what they like best about their mother and what they like best about their father. Also to state in the letter what they would like to have changed in mother, and what they would like to have father give up. That the children may feel perfectly free to express themselves honestly they are requested not to sign the letters. The letters are to be handed to the usher at the Sunday afternoon meeting and will be read Sunday night, forming the basis of Sunday evening sermon.

Sunday School will open promptly at 9:30 a. m. And the Young People's Alliance will begin at 6:30 p. m. Don't miss hearing the evangelist with a worth-while message at Central Church each evening this week.
