LOMITA CHURCH NOTES

The Sunday school had another record attendance, 150. Five new pupils were received into the Primary Room.

"Giving Our Best," was the theme of the morning sermon, using the text, "She Hath Done What She Could." The sermon was based upon the scene at Bethany, when Mary, the sister of Martha and Lazarus, anointed the head and the feet of Jesus.

The four Student Volunteers of Occidental College were late in arriving at the church, so they were given the church hour. They presented an interesting program of talks, setting forth the command of Jesus to preach the gospel to all the world, the dire need of the heathen and unevangelized, and their own reasons for going to the foreign field. The Christian Endeavors were urged to consider the claims of foreign missions in choosing their life work. Messrs. Johnson and Hillis and the Misses Johnson and Lee were the young people who presented the program. There are thirty student volunteers in Occidental College. A large congregation listened with interest to all that was said.

Next Sunday evening, March 13, at 7:30 o'clock, Rev. C. R. McMillan will give a stereopticon lecture on "New Era Mark."

Preparations for Easter are going forward. The choir will have special music for Easter morning. In the evening the Sunday school will present a printed program, "Easter Chimes."

21 NEW HOMES IN ONE SECTION

R. Geist, secretary of Water Company No. 5, stated yesterday that he had installed twenty-one new meters this month.

Most of these new homes are between the boulevard and the hills, and all will be built immediately. No other section of Lomita is showing such rapid growth as this.

STANLEY HOTZEL IS DEAD

Coming as a distinct shock to his former playmates, the death of Little Stanley Hotzel, was received here Thursday from his father and mother, Mr. and Mrs. Wm. Hotzel of Fresno. The message was sent to Frank Hotzel of Wilmington, brother of the deceased, that his brother was seriously ill and left for his home. Another message soon followed stating that the little fellow had passed away. Mr. and Mrs. Manuel Hendricks of Wilmington accompanied Frank to Fresno. The Hotzels are well known in Lomita, having been among the pioneers and built a beautiful home at the corner of Cypress and Redondo Blvd.

EDITOR MIXES THINGS UP A BIT

A Missouri editor who was brim full of hard cider got a wedding account and a sale mixed, says the National Monthly, and served his readers the following dope:

"William Smith, the only son of Mr. and Mrs. Josiah Smith, was disposed at auction to Lucy Anderson on my farm one mile south of here in the presence of 70 guests, including the following, to-wit: Two mules, 12 head of cattle. The Rev. Jackson tied the nuptial, the least

weighing 1250 pounds on the hoof. The beautiful home of the bride was tastefully decorated with a Seewash calf, a spade, a rake, harness almost new, one feed grinder, and just before the ceremony was pronounced.

Mendelssohn's wedding march was pronounced, played by one milch cow, five years; one milch cow, to be fresh in April, carrying a bunch of flowers in her hand and looking charming in a gown made of light spring wagon, two boxes of apples, two racks of hay, one grindstone, mouseline decori trimmed with about 180 bushels of spuds. The groom is a well known and popular young man and has always stood well among society circles of 12 Berkshire hogs, while the bride is an accomplished and talented teacher of a splendid drove of Poland china—pedigree is desired. Among the beautiful presents were two sets of knives and forks, one spring barrow, one wheel-barrow, one goat-cart, other articles too numerous to mention. The bridey couple left yesterday on an extended trip, term of 12 months' time, extended to reasonable parties; otherwise spot cash. Luncheon will be served at the table. After this Mr. and Mrs. Smith will go to housekeeping in a cozy little home at the corner of Main and Doctor R. L. Granbury auctioneer."
