**BOY SCOUTS**

(Conducted by National Council of the Boy Scouts of America.)

**SCOUTS SOW GOOD HABITS**

Scouts everywhere are interested in gardening and forestry. In a recent issue of Boys' Life, the chief scout executive reminds the boys of the movement that there is another kind of planting going on all the time, whether they are conscious of the process or not, Mr. West says: "Boy time is essentially planting time. The habits you are forming now are the ones you will reap the harvest of when you get to manhood. And that is where scouting comes in as a sort of expert gardener to show you what to plant, and how and why to plant it.

"One of the accusations that is sometimes made, with some justice, against the American people, as a whole, is our lack of thoroughness, our tendency to be 'jacks of many trades,' expert at none. This charge should never be allowed to fit or hit a scout. Thoroughness and the doing of a given task, 'hon'or, to the best of our ability should be, and I am glad to say usually is, characteristic of boys who are scouts. Even if it is a small thing in itself, like learning to tie a certain kind of knot, keep at it until you have the trick completely mastered, and can tie the knot any time, any place, just right, as speedily and deftly as possible.

"Take the matter of first aid, when you are learning to make bandages and tourniquets, studying and practicing what to do in case of a certain accident or how to prevent that accident from happening, put your whole mind and skill into it. Learn to do it, not 'any old way,' but just right, so that if the time comes when you are called upon, in the flash of an instant to put that knowledge to practical use, you will not be found wanting.

"Be prepared. Sow habits of energy, patience, perseverance. Train your mind and body to work together in splendid alliance. Live clean lives, think clean thoughts, read great books, follow true heroes, like Abraham Lincoln and Theodore Roosevelt. Plant for tomorrow and manhood."

**MESSAGE FROM SPANISH CHIEF.**

In connection with the new international scout magazine representing all the scouts of the world, the chief scout of Spain makes this statement: "To create an international journal which shall be the expression of the common ideals that flourish beneath the boy scouts' flag throughout the world; and with that journal to carry to the farthest corners of the earth the common desire for physical and moral redemption for which men of goodwill in all climes are striving, will be to endow with a new strength, with the winged and powerful strength of written thought, this gigantic crusade of universal brotherhood which already binds with strong links the youth of all countries, without distinction of race or frontier.

"The boy scouts of Spain, who are working for their country and for their well-being, follow the inspiration of Baden-Powell's immortal doctrine, cannot forget that they are part of that enterprise, or that in all nations they have brothers with the same desires and ideals; and for this reason they rally with enthusiasm to the work of their common publication, which will find in us fervent propagandists if it serves, as we hope, to strengthen and encourage the noble scout aims."

**ELECTION OF SCOUT OFFICIALS.**

At its annual meeting, March 7, the National council elected the following new officers: Honorary president, Warren G. Harding; honorary vice president, Woodrow Wilson; vice president, Harold McCormick of Chicago. New members of the national executive board are Messrs. Richmond Dean of Chicago, Mr. McCormick, and Mr. James J. Phelan of Boston. Former officers re-elected are as follows: Executive board members, Daniel Carter Beard, Alfred W. Dater, Lewis R. Gawtry, Walter W. Head, Jeremiah W. Jenks, George D. Pratt and Mortimer L. Schiff; honorary vice presidents, Hon. William H. Taft, Daniel Carter Beard, Hon. W. G. McAdoo; president, Collin H. Livingstone of Washington; vice presidents, Benjamin Dolaney of Bristol, Tenn., Arthur Letts of Los Angeles, Cal., Milton A. McRae of Detroit, Mich.; Mortimer L. Schiff, New York City; National scout commissioner, Daniel Carter Beard; treasurer, George D. Pratt, Brooklyn, N. Y.

**NEW BRANCHES IN SCOUTING.**

Thirteen Rome (N. Y.) scouts recently organized themselves into an archery club and are making bows and arrows for themselves. One of the most striking scout displays in connection with the sportsman show in New York last winter was an archery demonstration given by a Manhattan troupe, with old English yew bows. Archery is a fascinating recreation and is incidentally splendid training in accuracy, observation and coordination of mind, eye and muscle.
