WORMS will take the try out of Poultry if not controlled. This can be done through the work of our BARNES' WORM EMULSION. It is not a medicine, but a very nutritious combination that promotes the destruction of the WORMS by assimilating them. It does not stop the hens from laying, and becomes a source of profit instead of an expense. Ask for Booklet.

How Could He Help Believing?  
"Do you believe in dreams?"  
"Yes, certainly."  
"Aren't you even the least bit skeptical?"  
"Skeptical? How can I be? Night before last my wife dreamed of a new bracelet—and today I got the bill for it."—Der Brummer.
