John D. Worry has an idea—

So starts the New Year right.

John D. Worry faced the usual Xmas aftermath of bills, bills, bills and more bills

John D. got mad. He knew there were "paid" bills there—but-for the life of him he couldn't remember where he placed the receipts

In calm reflection, John D. figured it out—that a checking account at the bank—and a return of canceled checks each month would eliminate much trouble

So he came here to open an account. When we asked his name, he said:

"John D. Worry—the D. stands for Dont. Yes, make it read—John Dont Worry—now."
