**CENTRAL EVANGELICAL
SUNDAY SCHOOL PICNIC**

About one hundred kiddies and their parents met at the Central Evangelical church last Saturday, all ready for a picnic. They piled into waiting automobiles and, with much shouting, started off for South park, Los Angeles.

Upon reaching the park the kiddies were entertained with games on the expansive lawns by some of the older folks, while the picnic dinner was made ready on the tables by others. Then—oh, how hungry everyone was—and what a sumptuous feast every-

one had, topped with ice cream and lemonade galore!

After dinner games were enjoyed by all—such races, peanut races, paper races, bean races, three-legged race, etc.—until almost everyone had a chance to win some race.

At a late hour they returned home, tired but very happy, vowing this picnic to have been the "best ever."

Much credit for the success of the picnic goes to P. G. Brisey and Chas. Stock, transportation committee; Rev. Zeller, Mr. May and Vera Zaver, sports committee; Mesdames Brisey, Niekands and Lancaster, refreshments and dinner committee.

PARENT-TEACHERS' ASSN.

The Parent-Teachers' Association met Wednesday at 7:30 a. m. at the assembly hall of the high school. About eighteen members were present. This was a very small percentage of the present membership. In spite of the small attendance a very interesting meeting was enjoyed.

The meeting was opened with the members singing "America," followed by the flag salute. Mrs. Chas. Stock, president, occupied the chair. The president gave a very interesting report of the last meeting of the president's council of the tenth district California Congress of Mothers and Parent-Teachers Association, held in the Y. M. C. A. auditorium, Los Angeles, Mrs. Susan Dorsey being the principal speaker of the day.

Mrs. Dorsey touched upon the subject of the growth of the public schools, and said: "By February there will have been completed in Los Angeles county 49 new school buildings, which, it is hoped, will relieve the crowded conditions of the schools temporarily, but in order to relieve the crowded conditions entirely it would be necessary to build a new school every week, 52 weeks of the year." Mrs. Dorsey said certain business houses are sending out propaganda condemning the school cafeteria in the public school, and went on to explain that the cafeteria is placed in the school at the expressed wish of the student, and is not a money-making concern, but takes just enough profit to be self-supporting.

It was decided not to separate the P.-T. A. into a high school and elementary branch at present.

The P.-T. A. will co-operate with the Woman's club in the Better Babies Day to be held at the school house October 28, under the direction of Dr. Masd Wilde.

A drive has been started for new members and a prize will be given the class that brings in the greatest percentage of mothers for members.

Mrs. Ralph Marsh read a very interesting paper on "The Schoolboy and the Nation."

After adjournment tea and wafers were served and a most pleasant social hour was enjoyed.

A very interesting program is being planned for the next meeting, to be held November 11.

SCHOOL NOTES

The associated student body is planning to handle athletic supplies this year.

Miss Cora E. Mabey is a recent addition to the high school faculty.

A literature class, an outgrowth of the work of the local Woman's club, has been added to the night school course.

The night school is proving so popular that new teachers have been of interest, Spanish and one or two other subjects may be dropped. Dressmaking is another class that has a very low attendance.

A millinery class will be held Monday and Wednesday afternoons from 2 until 5 o'clock. Miss Jean Louise Working is the instructor. All women of Torrance are invited to register for this course.

Torrance high school has an orchestra—only six pieces to start, but there will be additional players as soon as periods can be arranged.

The Girls' Swimming club had their first lesson in swimming Wednesday afternoon at the Redondo plunge.

Recent class elections resulted as follows:
