FISHERMEN FINED

Arrested by George Taylor and tried before Judge Polglase, of Redondo, R. Nakama, S. Nakada, S. Gino and K. Yamaguchi, of Los Angeles, were each fined \$20 for having caught undersized abalones and for having over the limit in their possession.

RODEO AT LONG BEACH

Daugherty's Aviation Field in North Long Beach at American avenue, will be the scene of many an interesting stunt, Saturday and Sunday, July 21 and 22. There'll be cowboys and wicked broncho galore, including two of the most untamable mounts in horsedom Pancho Villa and King Tut.

It is said that they call the one broncho King Tut because he's so different from the ancient Egyptian monarch. Tut slept several thousand years, but this active piece of horseflesh never sleeps.

**EASTERN STAR CARD PARTY A
SUCCESS**

A high success socially as well as financially the Eastern Star card party will probably be repeated the second Monday of each month. "500" was the game, and there were twenty tables, besides the referees or umpires, or whatever it is they have at a "500" party. The reporter is a pinochle and solitaire fan, and utterly ignorant of the technique of "500," but did gather that W. C. Von Hagen piled up a wonderful score. There were eight prizes, a first, second, third and consolation, won respectively by Mmes. Baxter, McFarland, Miller and Andrios, and Messrs. Von Hagen, Ostkin, Shriner and Neill. Salad, sandwiches and coffee were served at the close of the evening.

FIRE IN TREES

An alarm was sounded Monday when a fire started in the row of eucalyptus trees bordering Plaza del Amo, west of Arlington street. The blaze is supposed to have been started by two boys, about twelve years of age who were seen running across lots.

D. V. S. B.

The Daily Vacation Bible School which is being held in the Lomita Community church continues to grow in numbers and interest having now an enrollment of 87. Another teacher, Miss Marian Oritendon has had to be added, she having charge of all Craft work. Mrs. George Miller, of the Redondo boulevard is now head of the school, Miss Donigan having resigned to go East to visit a friend who is critically ill. There is still two weeks left, if you are not attending the summer school why not enroll with those in the D. V. B. S. Something new every day.

Several members of Triple City Lodge No. 333, I. O. O. F. attended the installation of the officers of the Compton Lodge, Wednesday evening.

**Indian and Cowboy
Outfits for Boys**

Funny how folks like to imitate cowboys and Indians. But they do—especially boys. Long Beach is having a big rodeo Saturday and Sunday, July 21 and 22; at Daugherty Aviation Field. Everybody is going, and wild horses couldn't keep Bud away if he had his choice. You'll all enjoy the stunts, in fact.

Bring Bud in for a cowboy or Indian outfit like "one of them." It's a practical play suit too.

Oldfield Cords are built by one of the largest tire manufacturers, who must maintain the established reputation of these remarkable cords.

Here are the biggest tire and tube values ever offered by anyone. Come in today. Buy your tires now before our stock is exhausted. Purchase from a regular tire dealer, located near you. We stand behind these tires and are ready at all times to give you prompt service.
