

Seek Ten Local Men to Buy Camp Sites

Ten Torrance men may club together and purchase 10 acres of choice camp site land in the San Bernardino mountains...

The land is situated near Skyland Heights, close to the good fishing in the Little Mojave and Houston creek. It is 4500 feet above sea level.

Gilbert and Hansen are working diligently to interest local men in the purchase so that a Torrance camp may become a reality in the San Bernardinos.

MISSION PLAY TO CLOSE

This year's long season of the Mission Play at San Gabriel will come to a close at the end of the present month of July. Countless inquiries have brought out this announcement from the management.

As the case has always been during the past 12 years, the crowds at this great California pageant drama increase enormously as the season draws to a close. Therefore it is wise to make reservations far in advance.

By the end of July the Mission Play will have achieved the unprecedented record of over 2200 performances.

SANTA FE IS HURRYING ON NEW ROADBED

Engineers Survey Right of Way From L. A. to Torrance

Surveyors are busy in and near Torrance plying the plumb line and transit on the Santa Fe right of way for the new line from Los Angeles to Torrance.

Workmen are still at work on the intersection of the right of way with the Pacific Electric tracks. Bridges will separate the grades at these intersections.

From the manner in which the Santa Fe is hurrying the work it seems probable that the promise of freight service over the new road by fall will be kept.
