

**This Is the Way the Interior of Torrance
Fiesta Will Look**

The Carlton California Exposition company is on the job in Torrance, putting into execution plans for the Fiesta and Exposition to be held here July 31 to Aug. 4. The above illustration gives some idea of how the interior of the big tent will look—at least one part of the interior.

CAMP FIRE NOTES

The Wholesome Campfire Girls are the proud possessors of a beautiful charter symbolic of all that campfire life stands for.

The next regular meeting of Camp Fire will be with Miss Doris Beatty at the parsonage of the C. E. church.

The program of the Camp Fire Girls is the result of an effort on the part of the founders of the organization to find romance beauty and adventure in every day life, to make the homely task contribute to the joy of every day living.

Camp Fire Girls learn to share, to work together. To some Camp Fire offers an opportunity for personal and community service, to others the outdoor life. Some are attracted by the ritualistic work, others by opportunity for social life.

Camp Fire Girls consider their health a sacred thing. By wholesome habits of living they develop in bodily strength and vigor.

Camp Fire is a band of girls who appreciate the highest values in life and wish to live so that their daily lives may be the application and expression of their ideals.

Miss Doris Beatty was a delegate from Torrance to the Christian Endeavor convention at Long Beach last week.
