## FREE DOUGHNUTS

## LOST—A HOTTENTOT

Lost, strayed and possibly stolen—A perfectly good Hottentot from the chamber of commerce rooms where information as to its present whereabouts will be gratefully received.

The Hottentot is a newcomer to Torrance, having been induced to move from Catalina where he formerly resided to the "Industrial City of the Southwest" by Secretary Pottinger, whose strong suit is increasing the population of this city.

Whether the diminutive colored man wandered away from the chamber of commerce and became lost in the traffic on El Prado street, or went on a sightseeing tour of the city's outskirts and perished from exposure, as he was lightly clad, or whether someone took a fancy to the dusky stranger and kidnapped him, will only be decided when his guardian is informed of his present whereabouts.

## Sam Kasper Wins From Jack Price

When Kid Llewellyn went up against Jack Price of Boyle Heights last Friday night, friends of the former were dubious of the result but before the bout was over it was the consensus of opinion that the much-touted boxer from the city was lucky to get a draw. Llewellyn was carded to meet Johnny Kelsc but when the latter failed to show Price was substituted and while Price made an excellent showing the local boy put it all over him and a draw was the best the visitor could get.

The main event of the boxing program was between Sam Kasper of the Tool company and Sailor Irque and while the bout was decided.

clared a draw it entirely satisfied the friends of both opponents as from start to finish the principals were on their toes and fought every inch of the way.

Having gained a draw with the sailor who is acknowledged to be the best of his weight in the fleet, the handlers of Kaspar have thrown down the gauntlet to all comers at 140 pounds or less and as a result of this defi Kaspar will meet on October 20 a sailor from the Texas that is said to be a whirlwind.

The special event of the evening was that of "Battling" Patino of the Watts' Athletic Club and Sailor Llona of the Connecticut, in which the Watts boy clearly outclassed the famous salt water fighter.

Kid Manuel of Gardena not showing, the "Wonder Boy" of the Columbia Athletic association of Los Angeles was pitted against Nat Cyrus of the L. I. Works in which Cyrus showed his skill by easily defeating his opponent.

Young Alexander of the Pacific Electric also failed to toe the scratch and Bobby Noble, of the Hendrix Tire company scored a K. O. over the former's substitute, Young Roubidau of Redondo.
