**MAY DAY DANCE**

One of the notable events of the week was the May Day dance given Tuesday evening in the American Legion Hall by the newly-organized Girls' Club of the Union Tool Company.

This dance was the club's first social affair and the evening was enjoyably spent by local and out-of-town guests.

Through the hearty co-operation of all the girls of the club, the dance met with wonderful success, the proceeds of which are to go toward the support of the Children's Hospital of Los Angeles.

The hall was gaily decorated with spring flowers. Excellent music was furnished by the "Seven Buddies."

The girls in charge of the dance are to be congratulated as rumor says it was one of the best affairs Torrance has had for many a day.

**CLASS PARTY**

The Sigma Chi Rho class of the Evangelical church held a class party at the home of Miss Kathryn Burmaster. A business meeting was held first. A reception for the new girls was brought up and a list made for the coming contest, and the captains decided upon.

After the meeting, games were played and a taffy pull enjoyed by everyone present. Later in the evening refreshments were served. All new girls in Torrance are welcome to join the class.

**\$75 FOR A SKILLET OF BEANS**

Last summer two men were camping in the Klamath National Forest. The weather was clear and hot and calm. Among the dry pine needles they built a fire to warm their skillet of beans. As they sat down to enjoy their meal a Forest Ranger rode up and asked for their campfire permit. The men had failed to get one. So the other day they told their story to a Federal district judge in San Francisco. That skillet of beans cost them just \$75. MORAL: Be sure to get a campfire permit be-fore you build a fire on a national forest in California.

**Gypsy Singing, Dancing Scenes**

On Monday evening, May 21, the American Legion boys of Tujunga and Sunland in the green Verdugo Hills are to give a most unique and striking dramatic entertain-ment.

The participants in the program are to be no less than the entire cast of the Mission Play, includ-ing Monroe Salisbury and Mrs. Tyrone Power. The whole affair is under the patronage of Mrs. John Steven McGroarty, wife of the author of the Mission Play, who gives these entertainments for some charitable purpose each year at Tujunga. This year the pro-ceeds are to go to the American Legion Post to enable them to pay off the debt on their home.

The program is to be an adap-tation of the Russian Chauve Souris as performed in London a year and a half ago. There will be the Sextette from the opera Lucia with chorus in costume, the march of the Wooden Soldiers, Gypsy singing and dancing scenes and two of the greatest of the Chauve Souris sketches. In addi-tion to that there will be a half an hour of negro minstrelsy and a galaxy of singers, dancers and mu-sicians representing Jenny Lind, Calve, Carmencita and many other old-time celebrities.

The bill will be staged in the famous Garden of the Moon at Tujunga and will begin promptly at eight o'clock on the evening of the twenty-first. Seats can be se-cured by telephone at Alhambra 198 or Sunland 29.
