LOMITA MARKET NO. 3

Our many customers in Torrance who have heretofore been served by the truck route will be pleased to know that we have installed a

COMPLETE LINE of CHOICE FRUITS and VEGETABLES in the new SAM SEELIG MARKET at TORRANCE

For the benefit of those who have not heretofore traded with our markets at Lomita and Redondo, we have but one thing to say,

"QUALITY COUNTS"

We have built our business on the firm conviction that first of all we must sell ONLY Fruits and Vegetables of the Best Quality, and by handling such a large quantity through our three stores, we are usually able to offer you first quality goods at the same price or less than you could get inferior quality Fruits and Vegetables elsewhere.
J. H. KURTZ, Owner.

There is no occasion for you to bake—save gas, time and labor.
